EXPERIENCE

Thought Café - Illustration/ Graphic Design Intern

JUNE 2019 - AUGUST 2019

Illustrated characters, scenes and landscapes while collaborating with illustrators and animators on a weekly schedule. Ensured that assets remained consistent with client branding and visual style. Worked on a variety of client work with a focus in educational videos.

Regimen Lab - Freelance Graphic Designer

SEPTEMBER 2019 - PRESENT

Creating simple and accurate skincare infographics and illustrations while adhering to brand guidelines.

International Society for Cell & Gene Therapy (ISCT) - Marketing Communications Student

MAY 2018 - PRESENT

Responsible for helping integrate rebranding and maintaining multiple websites for cell therapy conferences. Collaborating with a team with expertise in business, science and design.

Marketing Communications Summer Intern

JUNE 2017 - AUGUST 2017

Re-designed current website and 2018 conference site. Created logos, banners, shirts and venue maps.
