EXPERIENCE

Hypercare — Graphic Designer

APRIL 2020 - PRESENT

Created brand guidelines to unify and polish the overall visual style within the app and marketing site. Animated, illustrated and directed the explainer video and other video assets.

JHouse Design — Visual Designer/ Illustrator

APRIL 2020 - PRESENT

Illustrating and animating visual assets and characters for clients such as Stacks and Flo Recruit. Collaborating with brand and product designers while working closely with clients to constantly improve and iterate upon the products.

Regimen Lab — Graphic Designer

SEPTEMBER 2019 - PRESENT

Creating stylized skincare infographics, illustrations and print assets while adhering to the client's brand and message.

Thought Café — Illustration/ Graphic Design Intern

JUNE 2019 - AUGUST 2019

Illustrated characters, scenes and landscapes while collaborating with illustrators and animators on a weekly schedule. Ensured that assets remained consistent with client branding and visual style. Worked on a variety of client work such as Shopify- Work Through Failure series and Crash Course.
